WAITING PERIOD

MOOSE, BIGHORN SHEEP, MOUNTAIN GOATS

Any person who has killed a moose, bighorn sheep or mountain goat in Montana shall not be eligible to apply for a license in any district for the next succeeding seven years.

Any person who has obtained a moose or bighorn sheep or goat license but did not take an animal for which such license was issued, shall be eligible to apply for another license in any succeeding year if he returns his unused license to the Fish and Game Commission at the time application is made.

EXCEPTION: Any person who has killed a sheep in an UNLIMITED area from or after January 1, 1971, shall be ineligible to apply for a sheep license in any sheep area for the next succeeding seven years.

MAKING APPLICATION

It is prohibited to submit more than one application for any game license. Applications must be made on forms available from license agents or offices of the Department of Fish and Game. Applications to enter sheep, moose, goat and antelope drawings must have a post office cancellation date on or before July 1, 1977. Applications for bighorn sheep licenses in districts 300, 301, 500, 501, 502 and 503 must have a post office cancellation date no later than August 31, 1977.

given preference in the 1977 antelope drawings.

No more than 10 per cent of the total antelope, sheep, moose, or goat licenses allowed for each district may be issued to nonresident applicants during any single license year. If the quota of antelope, moose, sheep, or goats in a district is less than 10, then nonresidents will not be issued licenses for that district.

FIVE YEAR PREFERENCE

Persons who have applied five consecutive years for moose, sheep or goat licenses and were unsuccessful will receive preference in respective drawings beginning 1978 if rejection slips from drawings preceding the year 1976 accompany applications.

General Regulations

By order of the Montana Fish and Game Commission, the seasons, limits and regulations listed herein shall govern the 1977 antelope, mountain goat, bighorn sheep and moose seasons.

State Fish and Game Commission
Robert Wambach, Secretary
January 7, 1977

HUNTING HOURS

The Montana Fish and Game Commission has adopted and published Sunrise-Sunset Tables for determining hunting hours. These tables are based on Mountain Standard Time. During periods that Daylight Savings Time is in effect, one (1) hour should be added to time indicated in the tables in order to determine proper hunting hours.

Open season for hunting shall be one-half (1/2) hour before sunrise until one-half (1/2) hour after sunset on each day as indicated by dates for each game district and Sunrise-Sunset Tables.

CHECKING STATIONS

Hunters and fishermen are required to stop at checking stations on their routes of travel to and from hunting and fishing areas.

CALIBER

There are no caliber limitations.
It is prohibited to use any poisonous, explosive or deleterious substances on or in any arrowhead, bullet or projectile.

CLOSURES

The entire state shall be closed to the hunting of all big game animals except as specified under the numbered district regulations. To ensure a proper harvest of game, seasons may be closed on 48 hours notice or if necessary may be reopened.

All state game preserves and state parks and recreation areas shall be closed as posted.

GAME TAGS

Immediately after killing a game animal you must properly tag the game animal in a visible manner as directed on the tag.

GUIDES

Hunters are not required to be accompanied in Montana.

IT IS UNLAWFUL:

to waste any part of game animal suitable for food excepting bears and mountain lions;
to hunt or take any game animal without having a valid license on your person;

to transfer your license or use any license or tag issued to another person;

to shoot a game animal for someone else's tag;

to shoot game animals on or from any public highway;

to shoot or attempt to shoot game animals with the aid of artificial light;

to shoot game animals or birds from an automobile or other self-propelled vehicle;

to hire or retain an unlicensed outfitter or guide;

for persons under twelve (12) years of age to purchase hunting licenses and hunt game;

to use firearms in any manner in the hunting and/or killing of any game animal during an archery season;

to hunt game animals or game birds or to carry or discharge firearms or create any other unlawful disturbance in any legislative or Fish and Game Commission created game preserve;

to purchase more than one of the same kind of game license during one license year;

to use a self-propelled vehicle to concentrate, drive, rally, stir up or harass game or fur-bearing animals.

With the exception of archers during special archery seasons, it shall be unlawful for any person to hunt big game animals or to accompany any hunter as an outfitter or guide without wearing exterior garments above the waist totaling not less than four hundred (400) square inches of hunter orange material, visible at all times while hunting.

Every resident and nonresident must have obtained permission of the landowners, lessors, or their agents before hunting big game animals on private property.

A person convicted of littering while hunting, fishing, camping or trapping shall forfeit his license or privileges to hunt, fish, camp or trap within Montana for a period of one year.

SEASON TYPES

Season type numbers are for computer use during drawings. They indicate a specific combination of hunting dates and bag limits, and must be included with hunting district numbers on applications for license and permit drawings.

VEHICLE TRAVEL RESTRICTIONS

Hunters must not drive off established roads or trails except to get big game carcasses that would otherwise be difficult to retrieve, in which case a motor-driven vehicle may be used to retrieve the carcasses, except in areas where more restrictive regulations apply or where the landowner has not granted such permission. Vehicles retrieving game must take the shortest possible routes to and from established roads or trails.
